

Boilermaker

ABOUT THE BUSINESS

MFE is an established business leader in project and maintenance services. We pride ourselves on our diversity and inclusiveness throughout our employees, our suppliers, our community projects and industries in which we do business.

ABOUT THE ROLE

Due to business growth, we are currently seeking a qualified Boilermaker for this full-time permanent role on a 5/2 roster (50hr week). This role will be Toowoomba based and we are seeking applicants for our fabrication Team.

EXPERIENCE

- Ability to read and interpret drawings
- Relevant Trade Qualification
- Ability to work with limited supervision
- Work to LEAN and 5's principles
- Experience or willingness to learn digital systems and reporting
- Proven team and individual workplace performance
- Working Permits, JSEA's and Procedures
- Experience in the following an advantage
 - Experience welding to piping and structural standards
 - Experience working with rigorous quality assurance and testing procedures
 - GTAW, FCAW, SMAW and GMAW experience essential
 - Forklift license

WHAT'S IN IT FOR YOU?

- Career advancement and a competitive salary
- Permanent role offering you stability
- Work within a family focused team who are committed to quality outcomes for their clients
- Work flexibility to enjoy the balance of life
- Great teamwork, professionalism, and continued improvement

You will be rewarded with career advancement opportunities and a competitive wage along with working in a company renowned for its positive and progressive culture. MFE is a family focused team who are committed to quality outcomes for their clients and ensuring employees are supported with work flexibility to enjoy the balance of life.

This is a great opportunity for a tradesperson who is wishing to further their experience whilst being provided excellent conditions and upskilling opportunities.

Applications are due by 22/06/2022
